SECTION A – OUR AGREEMENT WITH YOU

Our agreement with you is made up of:

- The 'general conditions' in this booklet. They are the main terms for your savings account and for our overall non-personal savings relationship with you; and
- The 'additional conditions', which are the interest rates, charges and other terms that apply to a specific account or service. We give these to you when speaking to you or in documents such as this booklet, our application forms, letters or leaflets (such as our welcome letter), our Interest Rates and Charges Sheet and on our website.

Additional conditions include things like when we will pay interest and how to qualify for a particular account or interest rate.

If an additional condition conflicts with a general condition, the additional condition applies.

Our accounts are for non-personal customers resident in the UK. You must only open or use one for the purpose of a business, club, charity or other organisation. We have different agreements for customers who are personal customers.

You explicitly consent (or have obtained the explicit consent of the relevant individual) to us accessing, processing and retaining any information you provide to us for the purposes of providing payment services to you. This does not affect any rights and obligations any of us have under data protection legislation. You may withdraw this consent by closing your account.

- If early withdrawal is agreed, which we regard as non-standard, we will deduct the equivalent of 95 days' gross interest on the amount withdrawn from the balance of your account before debiting the withdrawal.

- 2.4 If we, the police or other authorities are investigating any misuse or alleged unauthorised use of your accounts, you must provide information and help that we or they ask for if the request is reasonable. We, the police or other authorities would never ask you for your security details. We may pass related information to other banks or companies involved in payment processing, or to the police or other authorities, in the UK or (if appropriate) abroad.

3. How will you get statements and other information?

- 3.1 If there are payments out of your account, we will either provide information on those payments by letter or send a statement within one month. You can ask us to provide this information less often than monthly by calling us on the number provided in “How to contact us”. We will always provide a paper statement at least once a year. You may receive a regular statement more often than once a year, if we have agreed this with you. Statements will set out all the payments into and out of your account and give other information about them. We will also send you confirmation of all transactions of £10,000 or over.
- 3.2 You can ask for information about your accounts or order a statement by telephone. If we have already provided a statement, we may charge you for a duplicate.

device

Anything such as a computer, smart phone or another device that you can use on its own or in combination with your security details to access your account or give instructions.

The time periods below assume we receive a payment or payment instruction before the cut-off time on a working day. If it is received after the cut-off time or on a non-working day, we will treat it as being received the next working day.

4. How can payments be made into your account?

4.1 Subject to any restrictions in the additional conditions for your account, payments in sterling can be made into it by cheque and direct transfer from your nominated account. Cut-off times for payments into your account will depend on how the payment is made. The table below shows our cut-off times for receiving payments by cheque or direct transfer.

Method: Cheques
Cut-off time 3pm
Method: Electronic transfer from another bank account
Cut-off time 5pm

The tables below show how we process these payments.

4.2 Direct payments received from your nominated account or from another Scottish Widows Bank account

Paying-in method: Transfers on a non-working day between two non-personal accounts (A) and (B) in your name with Scottish Widows Bank
Does the payment show in your account on the day it is received? No – it will show in (B) on the next working day.
Can you use the money on the day it is received? Yes – immediately available in (B).
Does the payment affect any interest from the day it is received? No – it will count for interest in (A) until it is shown in (B).

Paying-in method: Any other direct payment including transfers from your nominated account (e.g. direct debit, direct transfer)
Does the payment show in your account on the day it is received? Yes
Can you use the money on the day it is received? Yes – immediately.
Does the payment affect any interest from the day it is received? Yes

To collect regular or occasional transfers by direct debit, from your nominated account, we will require a completed direct debit mandate. Please note that it takes three working days to set up a direct debit mandate and we are unable to collect funds on your behalf during that period.

Once the direct debit mandate is set up, we will ask for the payment to be sent to us on the day specified in your direct debit mandate, provided this is at least three working days from when we request your payment to be sent to us. We will process your direct debit request on the working day we receive it or, if after the cut-off time or if on a non-working day, the next working day.

If no day is specified, we will request the payment from your nominated account on the day we process your direct debit request. We will usually receive the payment three working days after we request it. For example, if we request the payment on Monday, it will reach your account by Thursday.

Scottish Widows Bank does not accept funds transferred in by other means e.g. bank giro credit, standing order or dividend mandate.

4.3 Cheques from the nominated account paid in at Scottish Widows Bank

Cheques must be drawn from an account in your organisation's name. We recommend that cheques issued by your organisation are made payable to: Scottish Widows Bank [Accountholder's Name].

Third party cheques are not permitted. Building society cheques must be verified to confirm they are from an account held in your name. (Please arrange for the issuing branch to stamp and sign the reverse of the cheque and add your name, sort code account number and roll number if applicable).

Payments show in your account on the working day we receive the cheque.

The table below explains what happens while the cheque is being 'cleared' (collected from the other bank).

We use one of the two clearing cycles:

- The '2-6-6' process
- The 'Cheque Imaging' process (being introduced during 2018)

The 'Cheque Imaging' process will be introduced gradually, and if we are using the new process we will display a notice when you pay in a cheque.

Type of cheque

All cheques paid into savings accounts at Scottish Widows Bank using the '2-6-6' clearing process.

When will the payment affect any interest we pay?

From the second working day after we receive the cheque.

When can you use the payment?

From the sixth working day after we receive the cheque.

When can the cheque be returned unpaid?

Up to the end of the sixth working day after we receive it even if you have already spent it. From then on we cannot take money from your account if the cheque is returned unpaid without your consent, unless you have been fraudulent.

Type of cheque

All cheques paid into Scottish Widows Bank using the 'Cheque Imaging' process.

When will the payment affect any interest we pay?

By 23.59 on the working day when we receive it at the latest.

When can you use the payment?

From 23.59 on the working day after we receive it at the latest.

When can the cheque be returned unpaid?

Up to 23.59 on the working day after we receive it.

'2-6-6' clearing process

If you pay a sterling cheque into your account at Scottish Widows Bank and we receive it on a Monday, you will see it in your account the same day. It counts towards any interest on Wednesday, you can use the money on the following Tuesday and we cannot take the payment out of your account after that day.

'Cheque Imaging' Process

If we pay a sterling cheque into your account and we receive it on a Monday, you will see it in your account in the same day. It counts towards any interest and you can use the money on Tuesday by 23.59 at the latest.

Important information

We may refuse a sterling cheque for payment into your account if it is more than six months old.

Scottish Widows Bank does not accept non-sterling cheques.

4.4 General terms about payments

If we are told, for example by another bank, that money has been paid into your account by mistake, we can take an amount up to the mistaken payment amount from your account. We do not have to ask you to agree to this, but will let you know if it happens. We will act reasonably and try to minimise any inconvenience to you.

If we become aware that a payment into your account was made by mistake or fraud within two months of receiving the payment, we will:

- make sure the amount of the payment is not available to you to use (we might do this by taking the amount out of your account or by limiting access to the amount in the account); and
- tell you we will return the payment to the paying bank unless you tell us within 15 working days that the payment was not made by mistake or fraud. If you do not respond within 15 working days, we will return the amount to the paying bank.

If we become aware that a payment into your account was made by mistake or fraud more than two months after the receipt of the payment, we will normally contact you before restricting your use of the amount in the account.

If we cannot return the funds to the payer, we may give information about you and your account to the payer's bank so they can recover the money.

We may refuse to accept a payment into an account or make a payment from it if we reasonably believe that doing so may:

- a) cause us (or another company in Lloyds Banking Group) to breach a legal requirement; or
- b) expose us (or another company in Lloyds Banking Group) to action from any government or regulator.

5. How can you make payments out of your account?

5.1 Making a payment

If you want to make a payment, we will check we are dealing with you as set out in Section C.

- For certain accounts, the types of payment and the way you can make them may be limited. The additional conditions tell you the payment services available on your account.

If we receive a payment instruction after the cut-off time on a working day, we will act on it on the next working day. The cut-off time for making payments depends on how and where a payment is to be made, but for a payment in sterling within the UK is not usually before 6pm (UK time). You can ask us for details, and we have some extra information about cut-off times for particular payments in Section N.

If you ask us to make a payment on a future date, we will make the payment on that date, unless it is a non-working day, in which case we will make the payment on the following working day.

5.2 Payment details

For us to make a payment for you within the UK, we need the sort code and account number (which is what we rely on for the purposes of processing your payment instructions) and we may also ask for other details from time to time.

You must check that the details are correct before asking us to make a payment.

5.3 When can we stop you making payments?

We can stop or suspend your ability to make payments using any device or security details if we reasonably consider it necessary because of:

- security – including if you tell us you have lost your device; or
- suspected unauthorised or fraudulent use of a device or your security details.

If we do this, we will act in a reasonably appropriate way and will try to reduce your inconvenience. Unless the law prevents us doing so or we reasonably believe it would undermine our security measures, we will try to contact you in advance to tell you we are doing this and why. If we cannot tell you in advance, we will tell you as soon as possible afterwards.

5.4 When can we refuse to act on an instruction?

We can refuse to make a payment if:

- our internal security controls require you to produce additional identification or prevent us carrying out the transaction (for example, if it is for more than the maximum amount we set at any time) – we will let you know if we are stopping a payment for this reason;
- the payment seems unusual compared with the way you normally use your account, in which case we may investigate further, for example by calling you;
- you do not have available funds to make the payment or you have exceeded a limit we have applied to your account or device;
- the payment instruction is not clear or does not contain all the required details;
- there is a regulatory requirement that tells us to;
- we reasonably believe that you or someone else has used, is using or obtaining, or may use or obtain a service or money illegally or fraudulently;

- we reasonably believe that someone else may have rights over money in your account (in this case we can also ask – or require you to ask – a court what to do, or do anything else we reasonably need to do to protect us); or
- any other reason set out separately in this agreement applies.

5.5 What happens if we refuse to act on an instruction?

Unless the law prevents us, we will try to contact you to tell you we are refusing, or are unable, to act. We will do this as soon as we can and before the time any payment should have reached the bank or building society you are sending it to. If you want to check whether a transaction has been accepted, you can call us (see 'How to contact us').

Additional information about failed payments

You can contact us to find out (unless the law prevents us telling you) why we have refused to act on your payment instruction and how you can correct any factual errors that led to our refusal.

5.6 Can you cancel or change a payment?

You cannot change or cancel a payment that you have instructed us to make immediately but you can cancel any payment you asked us to make on a future date. To do this, you must tell us on the working day before the payment is due to be made.

If a banking industry payment scheme such as the Current Account Switch Service tells us that a person you have asked us to pay has switched their account to another bank, we will update your instruction with the new account details. This will mean your payment reaches the correct account within the agreed timescales as set out in this booklet.

SECTION E – HOW LONG WILL YOUR PAYMENT TAKE?

If your account allows you to make payments, this section tells you how quickly we will send payments to the payee's bank. Please refer to your account's additional conditions to see what payments you can make.

6. UK payments

Type of payment:

Faster Payment

How long will the payment take to reach the payee's bank after we take it from your account?

If you ask us to make a payment to your nominated account, it will reach the bank holding your nominated account no later than close of business on the next working day.

- a) For example, if we process your request on a Monday, the funds will reach the other bank by Tuesday.
- b) We will process your instruction on the working day when we receive it or, if we receive it after the cut-off time or on a non-working day, the following working day.

Please check with us if the bank or building society you want to send the payment to can accept Faster Payments.

Alternatively, you can ask us to make a CHAPS transfer (please contact us for exact requirements on how to do so). There is a charge for this service, which is set out in our Interest Rates and Charges Sheet.

- a) We will then take the money from your account on the working day we process your request and the other bank will receive the money on the same working day.
- b) We will process your request on the working day we receive it or, if we receive it after the cut-off time or on a non-working day, the next working day.

Type of payment:

Future-dated payment to another UK bank account

How long will the payment take to reach the payee's bank after we take it from your account?

When we send a payment to your nominated account it will arrive on the next working day. You must tell us when you would like the payment to be sent. We can also send regular payments. Future-dated payments can be made on working days only.

The payee's bank must pay the funds into the payee's account on the day it receives the payment from us.

SECTION F – HOW WE CALCULATE INTEREST AND ACCOUNT CHARGES

As long as you have enough money in your account, we will pay you interest on amounts we hold for you. We also have charges for some account services.

7. Where can you find information about our interest rates and account charges?

Our Interest Rates and Charges Sheet contains our usual interest rates and charges for our savings accounts and most regular services. When you opened your account, you will have been given this information but if you would like another copy, call us (see 'How to contact us').

You can also see our interest rates and charges online at http://www.scottishwidows.co.uk/bank/interest_rates.html

8. How do we work out how much interest to pay?

- 8.1 Unless we have told you otherwise, we calculate any interest we pay on a daily basis, based on the daily balance of your account.
- 8.2 The additional conditions will tell you when we pay interest on your account. They will also say whether we pay interest into the account and whether we can pay it to another account. We will calculate any interest on amounts credited to your account as they become part of the account balance. This will depend on when and how the relevant payment is made into your account – see Section D.

If we are due to pay interest on a non-working day we will pay it on the next working day unless the additional conditions for your account state otherwise. We pay interest at the end of a working day. So you may not be able to withdraw the interest until the following day. You may not see it as part of your account balance online until shortly after midnight.

- 8.3 If you make a withdrawal from your account, we pay interest on the amount of the withdrawal up to and including the day before it leaves your account, unless you make the withdrawal on a non-working day. If so, we continue to pay interest up to and including the day before the working day after your withdrawal.

If you make a withdrawal on a Saturday, we will pay interest on the amount withdrawn on the Saturday and the Sunday, but not the Monday (unless the Monday is a bank holiday).

- 8.4 If we pay interest on your account, we will pay it 'gross'. You will be responsible for paying any tax you owe directly to HM Revenue & Customs.
- 8.5 We may take any charges you owe us from the same account. We will refer to the charges in our Interest Rates and Charges Sheet when you call, and write to confirm the details.
- 8.6 You must not allow your account to go overdrawn. If your account does go overdrawn, this does not mean we have allowed you to have an overdraft. You must immediately pay us back the amount you are overdrawn.

SECTION G – HOW AND WHEN WE CAN MAKE CHANGES TO THIS AGREEMENT

As this agreement could last a long time, we will need to change its terms occasionally. We can foresee some of the reasons why it would be fair for us to do this, and have listed them below, but we may in the future also want to make changes for other reasons. We will tell you about these changes, and how they will affect you, in advance. You may be able to close an affected account or end your relationship with us if you do not want to accept any change we tell you about.

This section refers to two types of account: 'payment accounts' and 'restricted savings accounts'. The account's additional conditions tell you which type you have.

9. What can we change?

- 9.1 We can change the general or additional conditions that apply to a particular account, benefit or service.

We may change any of the terms in this booklet, and the interest rates and charges that apply to an account.

- 9.2 We cannot change terms that we tell you are fixed, such as interest rates that are fixed for a set period.

10. Why can we make a change?

Meaning of words we have used

reference interest rate

An interest rate that is publicly available and linked to a rate we do not set – like the Bank of England base rate (also called the Bank of England bank rate).

regulatory requirement

Any law, regulation, code or industry guidance that applies to us including a requirement of a court, ombudsman or similar body or an undertaking given to a regulator.

- 10.1 We can make a change for a reason set out below. If we do, the change will be a reasonable and proportionate response to a change that is affecting us or that we reasonably think will affect us.

Reason:

A change in regulatory requirements.

For example

We may have to update our security terms because new legislation introduces tighter standards.

Reason:

To do something positive for you.

For example

Our payment conditions may have to change because new technology enables you to make payments more quickly.

Reason:

A change in the cost of running our accounts, including changes in our running costs.

For example

We may have to adjust our charges if our running costs change.

Reason:

Any other change that affects us, if it is fair to pass the impact of the change on to you.

For example

We may introduce new measures to combat fraud.

10.2 We may also make changes for any other reason we cannot foresee.

We may need to respond to changes in the banking sector caused by increased competition that affect how we provide our services and what we charge for them.

10.3 If the interest rate on your account is a 'tracker' rate, the rate will change automatically in line with the reference interest rate it is linked to. The additional conditions will say how soon the tracker rate will change after a change in reference interest rate.

11. How and when will we tell you about changes and what are your rights?

Meaning of words we have used

managed rate

A rate that we set, and can change, and that is not a reference interest rate.

material change

Changes to a managed rate where the balance of your account is £100 or more.

restricted savings account

A fixed-rate bond or other savings account that provides only a limited ability to make payments. The additional conditions for an account will tell you if it is a restricted savings account.

payment account

A savings account that is not a restricted savings account.

published notice

A notice we put on our website and, sometimes, in national newspapers.

personal notice

A notice we give you individually, for example by letter, electronically or in statement messages or inserts.

11.1 In the tables below, we explain how we give notice to change terms on particular accounts.

11.2 Restricted savings accounts

Type of change	Notice	Timing of notice before or after the change	Can you close or switch the account without charge?
Interest rate increase	Personal or published	As soon as possible	Yes, unless the additional conditions say you cannot.
Interest rate decrease that is not material (not tracker rates)			
Favourable or neutral changes to other terms	Personal or published	No more than 30 days after	
Material changes to interest rates (not tracker rates) that disadvantage you	Personal	At least 14 days before	Yes within 30 days of the notice.
All other changes that disadvantage you	Personal	At least 2 months before	Yes, at any time before the change.

11.3 Payment accounts

Type of change	Notice	Timing of notice before or after the change	Can you close or switch your account without charge?
Interest rate increase	Personal or published	No more than 30 days after	Yes, unless the additional conditions say you cannot.
All other changes	Personal	At least 2 months before	Yes, at any time before the change.

12. What are your rights if you want to close or switch an account in response to notice of a change?

For a change where we have to give you advance notice, you can tell us you do not want to accept the change using the contact details at the start of this booklet. We will take this as notice that you wish to end the agreement or close or switch your account immediately. If there is normally a charge for closing or switching your account, it will not apply. If we do not hear from you, we will regard you as accepting the change on the date it comes into force.

SECTION H – HOW WE MANAGE ACCOUNTS OPERATED BY ONE OR MORE INDIVIDUALS

13. Who is authorised to give instructions to us?

- 13.1 All signatories to the account are separately responsible for keeping to its terms. If any signatory does not keep to them, we can take action against the signatories either all of you singly or together.
- 13.2 We may give any information about the account to any signatory (even if you choose that all signatories must sign instructions to us), by telephone. Security details will be required.
- 13.3 If you choose to allow any signatory to authorise transactions on the account, any signatory will be able to withdraw any amount in the account (which may be without the other signatories' knowledge). We will not be obliged to make any enquiries about the purpose of any transactions.
- 13.4 The account cannot later be put into just one of the signatories' names.
- 13.5 If there is a dispute between the signatories about the running of the account, we may require all signatories to authorise all transactions until you all agree how the account is to be run.

SECTION I – CAN SOMEONE ELSE OPERATE YOUR ACCOUNT?

14. How can someone else operate your account?

- 14.1 If you want or need someone else to operate your account, you must generally provide appropriately signed instructions in writing, or sign a form we give you or grant a power of attorney to someone, which authorises them to operate your account.
- 14.2 In certain circumstances, the law may require us to allow someone else to operate your account – for example, if you are Insolvent. Please refer to the definition of 'Insolvent' in the 'Meaning of words we have used' section in Section K to understand what this means.
- 14.3 For security reasons, we may not allow another person access to all of the services we provide to you. If we do allow them to use a service, you can tell them your security details as long as they agree to keep them safe and agree to comply with the conditions set out in Section C 2.2.
- 14.4 We are not responsible for an act (or failure to act) by someone else allowed to operate your account as long as we did not know or suspect they were acting dishonestly towards you.

15. Account information service providers

Meaning of words we have used

Account information service provider	A service provider authorised by law to access information on your payment accounts.
---	--

15.1 You can instruct an account information service provider to access the information that you're able to access on your accounts online as long as it is open and transparent about its identity and acts in line with the relevant regulatory requirements. We will treat any instruction from an account information service provider as if it were from you.

15.2 We may refuse to allow an account information service provider to access your account if we are concerned about unauthorised or fraudulent access by that account information service provider. Before we do this we will tell you and explain our reasons for doing so, unless it is not reasonably practicable, in which case we will tell you immediately afterwards. In either case, we will tell you in the way which we consider most appropriate in the circumstances. But we won't tell you if doing so will compromise our reasonable security measures or otherwise be unlawful.

We may make available to an account information service provider a specific means of accessing your account. If we do, and it tries to access your account by a different way, we may refuse to allow that access.

SECTION J – WHO IS RESPONSIBLE FOR ANY LOSS?

It is important for you to understand what you and we take responsibility for and when you may be liable under this agreement.

Meaning of words we have used

device

Anything such as a computer, smart phone or another device that you can use on its own or in combination with your security details to access your account or give instructions.

security details

Details or security procedures you must follow or use to make an instruction, confirm your identity or access a device (for example a password, security code).

the EEA

The European Economic Area, which means the countries in the European Union plus Iceland, Norway and Liechtenstein.

16. Incorrect payments

16.1 When will we refund incorrect payments?

We will refund the amount of a payment and any charges you paid as a result of it, and pay you any interest we would have paid you on that amount, if:

- you asked us to make the payment to an account at another bank in the EEA and the payment was not made properly or never arrived, unless there was a mistake in any of the details in the payment instruction or we can show that the payment was received by the other person's bank. We will provide the refund without undue delay; or

- the payment was unauthorised (see 'Unauthorised payments' below). We will provide the refund as soon as we can and in any event by the end of the next working day.

Additional information about payment refunds

We will not refund the payment if you tell us more than 13 months after it was made that the payment was not made properly or was unauthorised.

If a payment goes to the wrong person or is delayed because you gave us the wrong details, we will not be liable but we will try to recover the payment for you. We may charge our reasonable costs for doing so. If a payment is delayed due to our error, you can ask us to ensure that the receiving bank credits the payment to the payee's account as if it had been made on time.

16.2 What happens if we incorrectly execute or fail to execute a direct debit payment instruction?

If you ask us to transfer money to your account by direct debit, and the payment is not made correctly or never arrived, we will:

- immediately ask the paying bank to make the payment to us again; and
- refund to you any charges you paid and pay you any interest we would have paid you on the amount that should have been transferred as a result,

unless we can show we submitted our request to the paying bank correctly, or you gave us the wrong details in the payment instruction.

17. Unauthorised payments

You are not liable for any payments or withdrawals from your account that you do not authorise. If you are not liable for a payment, we will refund or pay the amount of the payment and interest you lost as a result of the payment. We will not have any further liability. There are two exceptions to this rule:

1. If we can prove you acted fraudulently, you will be liable for all payments from the account that we could not stop.
2. If we can prove you have been grossly negligent with your device or security details, you will be liable for payments from your account but only until you have told us your device or security details have been lost, stolen or could be misused. In some cases, you will not be liable for a payment instruction you did not give yourself. These include where we have failed to tell you how to report that your device or security details have been lost, stolen or could be misused or where the unauthorised payment was made by telephone or internet.

18. What happens if we break the terms of this agreement?

18.1 We are responsible if you suffer loss because we have broken this agreement. There are three exceptions to this rule:

1. We are not liable for losses or costs caused by abnormal and unforeseeable circumstances outside our reasonable control, which would have been unavoidable despite all efforts to the contrary. These include delays or failures caused by industrial action (e.g., strikes), problems with another system or network, mechanical breakdown or data-processing failures.
2. We are not liable for losses or costs where a regulatory requirement means we must break this agreement.
3. We are not liable for losses or costs you suffer (such as loss of business profits or opportunities) as a result of anything we have done.

18.2 Nothing in this agreement limits our liability for acting fraudulently or very carelessly or otherwise excludes or limits our liability to the extent we are unable to exclude or limit it by law.

SECTION K – ENDING THIS AGREEMENT OR AN ACCOUNT OR SERVICE, OR SUSPENDING A SERVICE

19. Suspending an account or service

Meaning of words we have used

Insolvent

If you are an individual, you or any other person takes (or threatens to take) any step in connection with:

- your bankruptcy (including, for the avoidance of doubt, if a bankruptcy petition is presented against you, or you petition for your own bankruptcy);
- the making of any composition, compromise, assignment or arrangement with any of your creditors;
- the appointment of an interim receiver of your property under section 286 of the Insolvency Act 1986;
- the appointment of a receiver in respect of you under the Mental Health Act 1983;
- the appointment of any other, receiver or manager of any of your assets; or
- any analogous procedure in any jurisdiction; or
- you are unable or admit inability to pay your debts as they fall due or you are deemed to or declared to be unable to pay your debts under applicable law; or
- you cease or threaten to cease to carry on business.

If you are a company, partnership, limited partnership or limited liability partnership, you (or any other person) takes (or threatens to take) any step in connection with:

- any suspension or re-scheduling of payments by you, a moratorium of any of your indebtedness or your dissolution or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise);
- the making of any composition, compromise, assignment or arrangement with any of your creditors;
- the appointment of an administrator in respect of you (including, for the avoidance of doubt, the filing of a notice of intention to appoint an administrator, or an application being made to court for the appointment of an administrator in respect of you);
- the appointment of a liquidator in respect of you (including the presentation of a winding up petition, the convening of a meeting of members or creditors for this purpose, or any resolution being passed to appoint a liquidator in respect of you);
- the appointment of a receiver or any similar officer in respect of you or any of your assets; or
- any analogous procedure in any jurisdiction; or
- you are unable or admit inability to pay your debts as they fall due (or you are deemed to or declared to be unable to pay your debts under applicable law) or the value of your assets is less than your liabilities (taking into account contingent and prospective liabilities); or
- you cease or threaten to cease to carry on business.

19.1 We may suspend an account or service and we will give you two months' notice in writing before doing so, if:

- we think you do not want it anymore because you have not used it for 12 months; or
- if you are no longer eligible for it.

19.2 If you are Insolvent, we may suspend an account or service immediately.

20. Ending this agreement or an account or service

20.1 This agreement continues until you or we cancel or end it. The table below shows how this agreement (or any account or service) can be ended. If we end it, we will act in a manner we think is reasonably appropriate for the circumstances and will try to reduce the inconvenience to you.

By	Reason	Notice
You	Any reason.	None, unless the additional conditions for your account require notice. You may have to pay a charge if you close some accounts before the end of a fixed term. We may ask you to confirm in writing your request to close your account.
Us	<p>If we reasonably consider that:</p> <ul style="list-style-type: none"> • there is illegal or fraudulent activity on or connected to the account; • you are or may be behaving improperly (for example, in a threatening or abusive way); • by continuing the agreement we (or another company in Lloyds Banking Group) may be exposed to action from any government, regulator or other authority or may break a regulatory requirement; • you have seriously or repeatedly broken this agreement in any other way; or • you are Insolvent. 	None.
	When we participate in the unclaimed assets scheme and you have not used an account for 15 years (or other period specified by law) and we have lost touch with you. In this case, we may transfer any money in the account to the 'reclaim fund' (a body set up to deal with unclaimed assets in dormant accounts). We will try to contact you before doing this.	For further details see Section N.
	Any other reason.	Two months (in writing).

- 20.2 When this agreement ends, any account covered by it will close and any service we provide under it will stop. You must also:
- a) repay any money you owe us (including any payments you have made that have not yet been taken out of your account);
 - b) pay any charges up to the date the agreement, account or service ends; and
 - c) if your account allows them, cancel any direct payments into or out of your account.
- 20.3 If this agreement (or a service under it) ends, it will not affect any legal rights or obligations that may already have arisen or any instructions already given.
- 20.4 When this agreement ends (or your account is closed) we will pay or transfer money we hold for you or owe you under this agreement (or in the account) to you, or to any other person you name in writing. However, we may keep enough money to cover anything you owe us or, if you have broken this agreement, any loss of ours that results.
- 20.5 If you are a sole trader, in the event of your death we may need to see a grant of probate, certificate of confirmation or grant of representation before releasing money in your account to your personal representatives.
- 20.6 After this agreement ends, we will keep any rights we have under general law. We may continue to hold and use your personal data but only to the extent we need to do so as set out in our privacy statement. SECTION L – OTHER IMPORTANT TERMS

21. What happens if you do not meet the conditions we set for an account type?

- 21.1 We may change an account you hold with us to a different account if:
- a) you stop being eligible for your existing account in any way;
 - b) you are no longer registered in the United Kingdom; or
 - c) you make a complaint and we agree that the account may not be suitable for you.

Before changing your account to a different account, we will give you at least two months' notice. We will only change your account to one that we believe is a reasonably suitable alternative.

22. Transferring rights and obligations

You may not transfer any obligations or rights, benefits or interests under this agreement or in your accounts (or income from them) or create any security over money in your accounts in favour of someone else unless we say you can in writing.

23. Not enforcing this agreement

We may not always strictly enforce our rights under this agreement; for example, we may allow you to withdraw funds when your account conditions do not allow this. If we do this, it will be just a temporary measure and we may enforce our rights strictly again.

24. How can you complain?

If you feel we have not met your expectations in any way, please let us know so that we can tackle the problem as quickly as possible. We have a three-step procedure to resolve your concerns.

Step 1 – Tell us about the problem

Tell us about your complaint and how you think it could be resolved by calling our customer service team on **0345 845 0829**.

We will try to resolve your complaint by the end of the third working day after you contact us. If we cannot do this we will write to you within five working days to tell you what we have done to resolve the problem, or acknowledge your complaint and let you know when to expect our full response. We will also let you know the name and contact details of the person or team dealing with your case.

Step 2 – Follow-up

To follow up your complaint with our Customer Services Department, you can ask the person you raised your complaint with to refer the matter to them or write to Customer Services Department, Scottish Widows Bank, PO Box 12757, 67 Morrison Street, Edinburgh EH3 8YJ.

Step 3 – Contact the Financial Ombudsman Service if you are not satisfied

If you disagree with the decision we make, you may be eligible to refer the matter to the Financial Ombudsman Service free of charge. The Financial Ombudsman Service provides a way of resolving disputes if you are unhappy with something we have done. To understand whether you are eligible to refer the matter to the Financial Ombudsman Service or for further information details are available from us on request or you can get further information at www.financial-ombudsman.org.uk

You may be able to submit a claim through the European Online Dispute Resolution Platform (available at <http://ec.europa.eu/consumers/odr/>) if you live outside the United Kingdom or if you prefer not to deal directly with the Financial Ombudsman Service.

we both agree that the relevant law of England and Wales or of Northern Ireland will decide any legal questions about this agreement, and about our dealings with you with a view to entering into it. The courts of England and Wales or Northern Ireland will also be able to deal with any legal questions connected with this agreement.

25.2 When the conditions in this agreement first apply to you, if you are:

26. Third party rights

This agreement is between the account holder(s) and Lloyds Bank plc, trading as Scottish Widows Bank. The terms of the Contracts (Rights of Third Parties) Act 1999 and any other legal third party rights are specifically excluded except to the extent that rights are expressly conferred on other Lloyds Banking Group companies. This means that only the parties to the contract (or their legal successor(s), assignee(s) or other security holders) and other Lloyds Banking Group companies may have contractual rights.

27. Tax reporting and withholding for customers who are subject to the tax regime of certain other countries (including the US)

- 27.1 We (or other companies in Lloyds Banking Group) may be required by legislation or by agreement with tax authorities to report certain information about you and your relationship with us, including information about your accounts:
- to the tax authorities in the UK, which may then pass that information to the tax authorities in another country where you may be subject to tax; or

- directly to the tax authorities in other countries (such as the US) where we reasonably think or are required to presume you are subject to tax.

- if you do not provide us with information or documents we need, we may (i) apply a withholding tax to amounts, including interest, we pay to you; or (ii) close your account; or (iii) transfer the account to an affiliate in another jurisdiction; and
- we will not be liable to you for any loss you may suffer as a result of our complying with legislation or agreements with tax authorities in accordance with this condition, unless that loss is caused by our gross negligence, wilful default or fraud.

Dormant balances

When we participate in the unclaimed assets scheme established under the Dormant Bank and Building Society Accounts Act 2008, it enables money in dormant accounts (i.e. accounts that have been inactive for 15 years or more) to be distributed for the benefit of the community while allowing customers to reclaim their money.

Under the scheme, we may transfer balances of dormant accounts to Reclaim Fund Ltd (RFL), a not-for-profit reclaim fund authorised and regulated by the Financial Conduct Authority.

If we transfer the balance of your account to RFL, you will have the same rights against RFL to reclaim your balance as you would have done against us. However, we remain responsible for managing the relationship with you and for handling all repayment claims on behalf of RFL. Therefore, you should continue to contact us in the usual way if you have any questions or complaints about dormant accounts or balances.

Both we and RFL participate in the FSCS. Any transfer by us to RFL of your balance will not adversely affect any entitlement you have to compensation from the FSCS.
