**The annual ISA limit can be found at www.gov.uk/individual-savings-accounts

INTRODUCED ACCOUNTS

If your application was submitted to Scottish Widows Bank by an introducer, the introducer will receive a trail fee of 0.01% annually based on the average balance in your account.

DEFINITIONS

- Gross rate means we will not deduct tax from the interest we pay on money in the account. It's your responsibility to pay any tax you may owe to HM Revenue & Customs (HMRC).
- AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. The AER advertised is based on interest paid gross and capitalised to the account once a year – please note that other interest payment periods are available and the actual interest rate on your account will be lower if you have interest applied more frequently, but when compounded will equal the AER.
- Tax-free means the interest is exempt from income tax.

Copies of our literature can be provided in large print or in Braille and additional assistance is available to any customer upon request.

If you have any special requirements please contact our customer service team on 0345 845 0829.
